 New Delhi

ABOUT ME

During my tenure at HFCL Pvt. Ltd. , I successfully resolved numerous complex issues by collaborating effectively with the team and providing solutions to various challenges. I also ensured timely reporting and contributed significantly to problem-solving efforts, accounting for nearly 30% of the solutions provided. Through these efforts, the team achieved noticeable improvement and enhanced overall performance.

WORK EXPERIENCE

HFCL Pvt. Ltd.

New Delhi

Nov2025 – Feb 2026

- Prepared daily MIS reports to track business performance.
- Reviewed account data and generated reports.
- Managed customer databases using the Smart Inventory Tool.
- Ensured accurate data entry and record maintenance.
- Assisted in operational planning with timely insights.
- Resolved worker queries and operational issues.
- Coordinated with team members for smooth workflow.
- Improved reporting accuracy and reduced errors.

SUMMARY

Creative and detail-oriented MIS Executive and Graphic Designer with experience in MIS reporting, advanced Excel, dashboard creation, data analysis, and database management. Skilled in creating professional visual content using Adobe Photoshop, Canva, and Adobe InDesign while supporting business operations with accurate reporting and problem-solving abilities.
